## Last weeks program: provided by Neva Mohesky

Last weeks program was a presentation on Nurse Midwifery presented by nurse mid-wife Bethany Mears. Nurse Midwifery is a profession with a deep history. The term means "with woman" and the title requires training both the disciplines of nursing and mid-wifery to become a Certified Mid-Wife.

The mission for mid-wifery is to care for and empower women and their families. A common misperception about mid-wifery is that the a mid-wife

is only used by women who are pregnant. Mid wives counsel with and are involved in the bettering of health in women across the entire life span. Approximately 7.9% of births in the United States are assisted by mid-wives. In Europe mid wifery is used in 65-85%

of births. Normal births using the profession of mid-wifery can cost up to 60% less than hospital birth. Thanks to Neva for bringing education about this service available to the Hopkins County Community.

## Rotarian Spotlight: Michael McAndrew

This week's Rotarian spotlight is on none other than our acting club vice president and president elect Michael McAndrew. Mr. McAndrew joined rotary in 1986 in Bardstown, KY and has served our club in many capacities including board member, sergeant at arms,

and newsletter editor extraordinaire.

Not a "lifer" he is originally from Massachusetts; however, he does consider himself as Texan as a Northeasterner can be. He & his wife Sandra, who works in school administration, have 2 chil-

dren and are new grandparents as of last August. Masters in Healthcare Administration from V.C.U., CEO of HCMH, animal lover, terrible golfer, horrid bridge player, great Rotarian are all titles Michael proudly holds. Thank you Michael McAndrew for your service.

The tradition of singing at Rotary club meetings began in 1905 with Rotarian Harry L. Ruggles, of the Rotary Club of Chicago.

New Rotary clubs formed, and the practice of singing at club meetings caught on.

Ruggles's company published an unofficial Book of Songs -- a collection of patriotic tunes, familiar standards, and Rotary songs (many penned by Rotarians) -- to help clubs make singing a regular part of their meetings.

The first official edition of Ruggles's songbook, *Songs for the Rotary Club*, was published in 1920 and provided lyrics only. Editions with musical notation appeared in 1925.

Later editions offered advice on incorporating music into Rotary club meetings.

The 1933 book of songs encouraged Rotarians to add singing to their weekly meeting agendas. The 1935 edition advised clubs to sing prior to lunch and to select a song leader on the basis of personality, not musical talent. Walter R.

Jenkins, of the Rotary Club of Houston, served as the official song leader at RI Conventions from 1931 to 1966.

## America the Beautiful

### America, The Beautiful

O beautiful for spacious skies,  
For amber waves of grain,  
For purple mountain majesties,  
Above the fruited plain.

America! America!

God shed his grace on thee,

And crown thy good with  
brotherhood,

From sea to shining sea.
