## Last week's program: Senior Recognition

Last weeks program gave us the opportunity to celebrate and honor the high school seniors of several of our fellow Rotarians. This talented group of young minds reminds of the promise the future holds.

All three have great expectations and high aspirations! Connor Defebaugh is planning on attending the University of Arkansas, Preston Weaver, Texas Tech and Danielle Johnson is off to Texas A&M.

Congratulations to the parents and good luck to these great kids.

After the celebration, a market overview was given by Cindy Parkinson.

## Rotarian Spotlight: Judy Tipping

This weeks Rotarian spotlight is on acting club treasurer Judy Tipping. Judy has been a member of Rotary since 1993 and has served the club in the past as a board member, president, and secretary. Judy is a Hopkins County "lifer" and has served in the education profession for over 43 years including classroom teaching, adult education, assistant high school principal, high school principal, UIL academic director , director of finance, and current director of support services. Needless to say, Judy enjoys people. In her spare time, she enjoys watching sports, fishing, animals, outdoor activities, raising donkeys and hearing them bray. Thank you Judy for your commitment to Rotary and to our community.

## **Every Rotarian an Example to Youth**

(taken from "The ABC's of Rotary" page 24 )

In 1949, the RI Board adopted the slogan Every Rotarian an Example to Youth as an expression of commitment to children and youth in each community in which Rotary clubs exist. Serving young people has long been an important part of the Rotary program.

Youth service projects take many forms around the world. Rotarians sponsor Boy Scout & Girl Scout troops, athletic teams, centers for disabled children, school safety patrols, summer camps, recreation areas, safe driving clinics, county fairs, child care centers, and children's hospitals. Many clubs provide vocational counseling, establish youth employment programs and promote the use of The Four-Way Test. Increasingly, drug or alcohol abuse prevention and HIV/AIDS awareness projects are being supported by Rotarians.

In every instance, Rotarians have an opportunity to be role models for the young people of their community. One learns to serve by observing others. As our youth grow to become adult leaders, it is hoped each will achieve that same desire and spirit to serve future generations.

The slogan accepted over 50 years ago is just as vital today.

## **Take Me Out To The Ball Game**

Take me out to the ball game,  
Take me out to the crowd,  
Just buy some peanuts and  
Cracker Jack.  
I don't care if I never get back.  
Let me root, root, root for the  
home team.  
If they don't win it's a shame.  
For it's one, two, three strikes  
your out at the old ball game.
